Munsch Hardt Attorney Bell Named Among the Austin Business Journal's Profiles in Power

07.26.10

Munsch Hardt announces M'Lou Patton Bell has been named among the "Profiles in Power." This award was given to "top Central Texas women industry leaders who have forged their own path and developed their own leadership principles," according to the *Austin Business Journal*. "These women have something to offer the next generation of women leaders. They have made a difference in their communities, blazed new trails and are leaving a mark on Central Texas business."

M'Lou Patton Bell

M'Lou's practice focuses on corporate, real estate and lending transactions. She routinely represents both buyers and sellers in all types of corporate and real estate transactions and has experience in business organization, on-airport leasing and development, lending and alternative financing, asset and stock transactions, acquisition, development and disposition of income producing properties and commercial leasing. M'Lou's practice in development matters ranges from subdivision and shopping center development to acquisition and development in ski resort communities. In addition to corporate and real estate matters, she also represents clients in connection with government contracting and legislation. M'Lou received her Juris Doctor and Bachelor of Science from The University of Texas at Austin.
