“We’re incredibly proud of and honored to work with each of our attorneys recognized by *Chambers USA*,” said Phil Appenzeller, CEO of Munsch Hardt. “Our teams work continuously to provide clients with quality service through careful attention and dedication. This is a prestigious honor for any firm or attorney to receive and it’s always great to realize our clients and peers recognize what a fantastic team we’ve built as much as we do.”

Throughout a year-long evaluation process, Chambers’ research team reviews written submissions and work highlights, conducts personal interviews and solicits client and peer feedback.
