## I'm Here to Party - Risk and Reputation Management of Transient Guests

10.22.19

*Flexible Rentals Investment Conference*

Aryn Self presented at the Flexible Rentals Investment Conference in San Francisco this week. The presentation, entitled "I'm Here to Party" - Risk and Reputation Management of Transient Guests discusses short term rentals in multifamily properties and the perception of nuisances or transitory effects that some short term guests add to a property, such as reputation effects, noise levels, secure access, parties, unregistered guests and more.
