

Speech

Renewable Energy: The Trends, Risks, and Challenges of Evolving Energy Sources

Conference Postponed - Date TBD

Energy Risk & Insurance Conference

Shareholder Ken Bullock will present "Renewable Energy: The Trends, Risks, and Challenges of Evolving Energy Sources" at the Energy Risk & Insurance Conference in Houston, Texas. This conference has been postponed until a later date due to COVID-19 (Coronavirus).

This presentation will focus on key and emerging issues in the energy industry during a full afternoon of learning. Participation in educational sessions that take an in-depth look into master services agreements or renewable energy and how technological advances are impacting risk in the energy industry.

More information about the conference can be found [here](#).
