## Distressed but Unbroken: Flexible Rental Management and Hosting Companies in Transition

12.08.20

*Flexible Rentals Investment Conference (FLEX)*

Shareholder Aryn Self speaks on a panel on Tuesday, December 8th at 10:15 a.m. at the Flexible Rentals Investment Conference (FLEX). The panel, entitled "Distressed but Unbroken: Flexible Rental Management and Hosting Companies in Transition", will address the following topics:

Companies, business models and careers have all evolved since we last met. As a community, we want to celebrate success stories, learn from the stress and learn about personal and company pivots that change the landscape.

- Capital raising success stories
- Distress, and pivots to new business models, operators or inventory
- The collapse of the master-lease market
