Legal Issues in Arbitration

03.05.21

Construction Law Section of the State Bar of Texas, 34th Annual Construction Law Conference

Houston Shareholder Mason Hester presents at the 34th Annual Construction Law Conference, hosted by the Construction Law Foundation of Texas, on Friday, March 5th, 2021.

This presentation, which is based on a paper co-authored by Mason, Garrett Hicks and Tim Word, will provide an update on key legal issues in arbitration, such as statute of limitations, waiver, binding non-signatories, filing lien and bond claims, appeal of an arbitrator's decision and more.
