

Press Release

Munsch Hardt Increases Practice, Individual Rankings in 2017 Chambers USA

05.26.17

Munsch Hardt is proud to announce its Bankruptcy & Restructuring, Immigration and Real Estate practice groups, as well as 8 attorneys, received recognition in the 2017 Chambers USA publication, a prominent, go-to guide in the legal industry.

Throughout the year-long evaluation process, Chambers' research team reviews written submissions and work highlights, conducts personal interviews and solicits in-depth client and peer feedback. Following are specific comments about Munsch Hardt from this year's process:

- Bankruptcy & Restructuring: The section is regarded locally and nationally for undertaking a wide variety of restructuring and bankruptcy matters, with one source describing the team as "outstanding: very client-focused in terms of service and conscious of not wasting time or money."
- Immigration: One client commented that the firm's immigration team members possess the "ability to take complicated, detailed, technical and administrative content and make it simple to follow." Another noted the section not only does a "fantastic job of being competitive in the market," but also makes the process "very easy and stress-free".
- Real Estate: As one of the largest and strongest real estate sections in the southwest, a Munsch Hardt client commented "the attorneys we work with at Munsch are comparable to the best in their field. They carry themselves with a great sense of professionalism and humility," while another spoke to a specific project, noting "Munsch also has an extensive depth of resources that was pivotal in our transaction as it included several complicated features."

While the firm's Bankruptcy & Restructuring and Real Estate practices have been recognized for a number of consecutive years, this was the first year for Munsch Hardt's Immigration practice to be ranked. Each section's well deserved ranking is a direct result of the volume and complexity of matters the teams manage for clients in Texas and across the country. In addition to these three practice groups, the following 8 Munsch Hardt attorneys received individual rankings.
