Munsch Hardt Practice Groups, Lawyers Recognized as Industry Leaders in 2015 Chambers USA

05.25.15

Munsch Hardt recently received recognition in the 2015 Chambers USA publication, a prominent, go-to guide in the legal industry. This year's regional highlights included two Munsch Hardt practice groups and 7 individual attorneys.

"We are honored to once again be included in *Chambers USA's* prestigious legal directory," said Phil Appenzeller, CEO of Munsch Hardt. "Munsch Hardt attorneys place an emphasis on providing clients with innovative, sophisticated and value-driven results, and recognition of these ideals from our clients and peers is the highest form of compliment. We are truly grateful to them for both their continued support and their involvement in this ranking process."

Throughout the year-long evaluation process, Chambers' research team reviews written submissions and work highlights, conducts personal interviews and solicits client and peer feedback. Select clients were quoted in this year's edition, describing Munsch Hardt as "the most responsive firm with which we do business" and its attorneys as "punch[ing] above their weight in their fields of experience."

Munsch Hardt's Bankruptcy & Restructuring practice was once again ranked and its Real Estate practice moved up to a Band 2 ranking. This bump in ratings is a direct result of the volume and complexity of matters the firm's real estate practice manages for clients both in Texas and across the country. Additionally, the following 8 Munsch Hardt attorneys have been specially recognized by the 2015 *Chambers USA* Guide.
