This year's North Texas M&A finalists each appear under one of the following categories:

- Billion-Dollar Deal
- Large Deal (\$150M - \$999M)
- Midsize Deal (\$50M - \$100M)
- Small Deal (\$1M - \$50M)
- Advisor Dealmaker of the Year
- Intermediary Dealmaker of the Year

Award recipients in each category will be honored at the annual M&A Awards Reception Thursday, May 9th, 2013. The reception includes a market update by John Gabbert, CEO and Founder of Pitchbook Data Inc. The award ceremony will directly follow John's presentation, "The Market for Deals: Key Strategies & Perspective".
