Munsch Hardt Recognized by DealMakers Corporate Finance Awards 2012

10.03.12

Munsch Hardt solidifies leadership in the Corporate Finance sector as one of the leading law firms recognized by DealMakers Corporate Finance Awards 2012.

The DealMakers Corporate Finance Awards 2012 are presented to law firms in multiple countries, where close to 50,000 votes are placed in support of the leading firms working within the Corporate Finance Sector. A select number of leading firms are recognized for their contribution in what has been noted as one of the most difficult economic times in decades.

Today's leading advisory firms actively involved in Corporate Finance are regularly called to help facilitate transactional matters throughout the deal process. It is of utmost importance that transactional matters progress in the most accurate and efficient way possible. The Dealmakers Corporate Finance Awards 2012 recognizes and congratulates those firms working in an advisory capacity, within the Corporate Finance sector to ensure successful and exceptional progression.
