Munsch Hardt Attorney Recognized as Top Defense Lawyer

6/13/2008

We are proud to announce that the Dallas Business Journal has named James D. Jordan one of the top 15 business defense attorneys in Dallas/Fort Worth. The same publication has previously named Jim as one of the six most influential leaders in the Dallas/Fort Worth legal community. Jim has been with Munsch Hardt Kopf & Harr, P.C. for 22 years and served as the firm's Chairman and CEO from 1998 through 2005.

Jim's recent successes include a defense verdict in a four-week jury trial in North Carolina in which he defended a world-famous golf resort (and past host of the US Open) and the successful defense of a national manufacturer and marketer of cleaning and sanitizing products in one of the first accounting whistle blower trials under the Sarbanes-Oxley Act (a case discussed in the Wall Street Journal editorial page). Please join us in congratulating Jim on this well-deserved recognition.
