Munsch Hardt Announces Leadership Promotion

07.10.12

Munsch Hardt recently named Robert R. Kibby as Section Head for the firm's Corporate and Securities group. Rob assumed leadership responsibility on July 1 and succeeded Mike Hainsfurther, who will continue to be a Shareholder in the Corporate and Securities group.

"We appreciate the fine job Mike Hainsfurther has done in leading Munsch Hardt's Corporate and Securities practice group and, with the selection of Rob as Section Head, our group will continue to be a vital and growing practice for our firm," said Glenn B. Callison, CEO for Munsch Hardt.

Rob joined Munsch Hardt in 2005 and has over 20 years of experience counseling corporate clients in connection with merger, acquisition, financing, and licensing transactions.

"I am honored to be named Section Head. Our team of seasoned corporate attorneys enables us to provide sophisticated transaction services at a superior value, and we believe we have the best platform in Texas to help our clients close middle-market transactions," said Rob Kibby.
