

Corporate Responsibility

WE BELIEVE EVERY PERSON CAN MAKE A DIFFERENCE IN THE COMMUNITY AND EVERY PERSON HAS SOMETHING TO CONTRIBUTE.

The success of our business is measured by more than financial performance. For us, the civic and charitable impact of our operations is equally important. Our Management Committee, attorneys and staff members alike donate their time, resources and talents to make a lasting impact on those in need.

Whether it is sponsoring events, benefitting the families of wounded or fallen military members, supporting diabetes research, funding scholarships for underprivileged students or donating pro bono services to promote equal access to justice, Munsch Hardt touches numerous areas within our communities.

The following list represents just some of the organizations we proudly support on a regular basis:
