

Diversity Initiative

TALENT IS NOT LIMITED TO ANY GENDER, ETHNIC GROUP, RELIGIOUS AFFILIATION, GENDER ORIENTATION, PREFERENCE OR OTHER DEMOGRAPHIC TRAIT. MUNSCH HARDT STRIVES TO HIRE THE BEST TALENT IN WHOMEVER IT RESIDES.

Munsch Hardt and its Management Committee ensures the Firm benefits from the full range of unique perspectives and experiences offered by its attorneys. Diversity and inclusion at Munsch Hardt means not only embracing, but also celebrating the various experiences and cultures that make up our Firm. Through an inclusive environment, we believe we are able to better serve our clients and enrich the communities in which our attorneys and staff members work and live.

Specifically, Munsch Hardt maintains both a Diversity Committee and a [Women's Initiative Group](#). Each team is comprised of executives, attorneys and staff members from across the Firm. The groups meet on a regular basis to discuss internal and external initiatives, address client concerns and the staffing of client matters, as well as focus on the recruitment and retention of diverse team members.

RECRUITMENT & RETENTION

Diversity is vital at every stage. Just as we seek to actively mentor and promote minority and female attorneys within our Firm, we also strive to recruit diverse attorneys from the onset of their career. One path the Firm has chosen to pursue is through active participation in the Sunbelt Minority Recruitment Program. This program consists of a consortium of 18 American Bar Association law schools from five states (Arizona, Louisiana, New Mexico, Oklahoma and Texas), and offers legal employers the opportunity to interview over 900 minority law students for summer employment and permanent positions. As a result of our Firm's targeted recruitment efforts, we are proud to disclose that nearly 60% of new hires since December 2015 have been diverse and/or female attorneys.

Diversity among our attorneys is equally as important as diversity among our staff. Today, five out of six internal departments are under the leadership and direction of female or LGBTQ professionals. These departments include Accounting, Employee Relations & Recruiting, Facilities, Information & Library Services and Marketing. As we continue growing our Firm by recruiting talented and diverse attorneys and staff members at various stages in their careers, we look forward to sharing our successes with our clients.
