## Experience

### Officer, Director and Partner Litigation

Represented the limited partners of a real estate partnership in breach of fiduciary duty, fraud and breach of contract litigation against the general partner pertaining to a \$150 MM fraudulent loan and unauthorized sale of a 250-acre commercial property. After litigating in the trial and relevant appellate court, Munsch Hardt negotiated a favorable settlement that divorced our clients from the partnership and remedied the limited partners for the general partner's malfeasance.

### Breach of Contract

Represented a Dallas entrepreneur in a breach of contract and promissory estoppel case arising out of the construction and installation of mechanical equipment against a multinational engineering conglomerate. Munsch Hardt served as lead trial counsel and successfully obtained a full and unanimous jury verdict for all requested damages.

### Commercial Landlord-Tenant Litigation

Represents several commercial landlords in breach of contract cases against commercial tenants and guarantors. The Munsch Hardt team has continued to obtain numerous favorable dispositive summary judgments and settlements for these matters.
