Overview

Brian Peterson serves as Munsch Hardt's Director of Facilities, overseeing the Firm's real estate portfolio, office design, construction projects and the procurement of goods and services.

Brian has more than 20 years of leadership experience, and he has been with the Firm since 1996. Brian is responsible for managing the Reception Desk, Records Team and Office Services in all three of the Firm's offices. Other office responsibilities include coordinating office moves, streamlining the records filing and retention process, addressing and maintaining the day-to-day service needs of all employees and maintaining the Firm's stock and supplies. Brian works closely with the building management on recycling initiatives, as well as professional and personal safety protocols to ensure security protocols are in place.
