Experience

Premises Liability Litigation

Represented a Texas based grocery store and obtained dismissal of a petition filed in Texas for claims arising out of a premises liability claim.

Transportation Litigation

Represented a national transportation company in the successful resolution of a negligence and breach of contract suit involving more than \$5 MM in alleged damages resulting from an offloading delivery accident.

Retail Company Arbitration

Assisted in winning a successful arbitration for a national department store. Toni prepared the case for arbitration by taking and defending all depositions, preparing all pre- and post- arbitration documents and handling the direct examination of the corporate representative during the final arbitration hearing.

Insurance Litigation

Represented numerous national insurance companies and policy holders in high-exposure insurance disputes for catastrophic personal injuries and property damage claims.

Expert Witness Depositions

Assisted in the preparation of multiple expert witness depositions by analyzing key documents and articles, reviewing prior deposition transcripts and drafting questions.
