Related Practices

Overview

Winston's practice focuses on all aspects of intellectual property and complex commercial litigation. His patent litigation experience includes technology ranging from flash memory devices and intraocular lenses to object relational mapping software. His patent prosecution experience includes satellite communications, medical devices, disc drive circuitry, programming guide software and business method patents. In addition, Winston has extensive experience in zoning and real property litigation.

Prior to joining Munsch Hardt in August 2018, Winston began his career practicing patent and complex commercial litigation at an intellectual property law firm in New York City, New York. He then served as a patent attorney for a boutique litigation firm in Dallas, Texas and in 2010, Winston founded W.O. Huff & Associates, PLLC.
